Description of goods or make and take craft for our Santa's Workshop:

---

---

---

Your business name and any social media or website info:

---

---

✓ Enclosed is my booth fee of \$20 Check made payable to Maker Farm LLC OR I have paid my booth fee via Venmo to @TheMakerFarm

✓ My goods are handmade.

✓ I will provide my own tables and chairs- please contact Emily if you would like to borrow farm tables or chairs.

Thank you for your application! You will have ample space for your booth in our 11,000 square foot indoor riding arena or our large Workshop which will be turned into Santa's Workshop for our Handmade Make and Take Event. Please let us know your needs. We are rain or shine. However, the arena is not heated, so dress warmly! We have limited access to electrical outlets, so the fewer "plug-in" items, the better! Our speaker system will play holiday music for ambience. You are welcome to come anytime after 8am to set up. You can drive your car right up to the arena entrance. Emily Piper of The Maker Farm will be in contact with all vendors and can answer any questions that may arise. Her email is makerfarm@proton.me or text 978.995.7002.
